AUTUMN/WINTER 2022

Sophie Allport

Hello and welcome to Sophie Allport's Autumn Winter 2022 brochure! We have a lovely broad launch of newness for you this season with something for everyone. You might have noticed that this brochure is slimmer and lighter than usual, and that is because we have taken the decision to produce a 'newness' and 'best sellers' brochure that works for all our customers around the world – with the relevant price sheet enclosed. This way, we use less paper but still show you all the best bits! There are, of course, many more products and designs available that you won't find in the brochure on our trade websites. Therefore, it is essential that you use our trade websites or your knowledgeable Account Manager or Representative in conjunction with this brochure – and you can always give us a call!

You can find each of our trade websites here:

UK - trade.sophieallport.com

Euro - trade.sophieallport.eu

USA - trade.sophieallport.us

The last couple of years have been full of surprises for all of us. One big issue we and many other businesses faced was getting the right products from our suppliers at the right time. It really was a struggle with global lockdowns and the shipping crisis, and although some of our suppliers are still experiencing covid restrictions, we are pleased to say our stock availability is better than it has ever been.

This season we bring you and your customers a beautiful Grey Horse, a stunning floral in Poppy Meadow, a new collaboration with the National Trust called Woodland Walks and two new Christmas designs.

As mentioned above the brochure should be used alongside our trade websites. We have a UK, Euro and USA/Canadian versions available. On our websites, you can see our entire collections, place orders, gain visual merchandising advice and find other useful tips. If you have any questions regarding these sites, please contact Justin at justin@sophieallport.com.

Do also look out for our fabulous trade videos – these are available to view on our website and will get emailed to you – they really help give you a feel for colour and design whilst providing some inspiration for your displays. Our dedicated team and overseas partners will be equipped with brochures, samples, and knowledge, to talk you through the collections. If you have any additional questions, please don't hesitate to get in touch!

About our Lincolnshire trade showroom event
4th-7th September during Autumn Fair.

WELCOME

Lincolnshire homewares brand Sophie Allport was founded in 2007 by designer Sophie and her accountancy trained brother Jem and has just celebrated its 15th birthday! The quintessentially British brand is celebrated for its fine bone china and kitchen fabrics, branching out into a wide variety of products for pets and children, soft furnishings, tabletop, clothing, bags and accessories.

Autumn Winter 2022 sees a new collaboration with our friends at the National Trust, celebrating walks in the countryside with our canine friends! Sophie has also created a stunning wildflower floral collection, Poppy Meadow, with lots of lovely colours and a complementary blue poppy design. There is a much-anticipated new Grey Horse design for all the horse lovers out there. Then there are two new Christmas designs, a reimagined Robin – our old Robin design was such a classic, and we know that its return on a stunning olive ground has been long awaited. Finally, there is an action-packed fun design for Christmas called Snow Season, which is excellent for family festive tables with polar bears and penguins enjoying the snow!

With over 50 designs and over 1,700 product lines to choose from, there truly is something for everyone.

CATEGORY RANGES

At Sophie Allport, we design and produce a wide range of products, from kitchen and dining to pets and accessories. Using our trade website, you can browse by category, collections or by product type.

Sophie Allport

Inspired by Sophie's love for nature and long woodland walks with her three dogs, this charming design features dog walkers and hikers adventuring out on an expedition, exploring everything the great outdoors has to offer. Perfect for country dwellers and dog lovers, the teal blue colourway is excellent for adding a splash of colour throughout the home.

We are so pleased to be working with the National Trust on our Woodland Walks collection. Growing up in Lincolnshire, Sophie and Jem explored many National Trust places, enjoying nature, history, and the beautiful locations which the National Trust has looked after over many years. Through sales generated from our National Trust collection, 10% of net sales, with a minimum of £20,000 will be given to the National Trust for Parks and Woodland conservation.

Sophie Allport

Combining Sophie's love for nature and wildlife with the National Trust's expertise in environment and wildlife conservation, we have created a beautiful collection of high-quality products. This lovely design features Sophie's illustrations of charming hedgehogs and magnificent oak and pine trees and is sure to add a touch of nature to any home interior, whilst celebrating these incredible animals and mighty trees.

Through sales generated from our National Trust collection, 10% of net sales, with a minimum of £20,000 will be given to the National Trust for Parks and Woodland conservation. From planting and conserving trees to providing a haven for wildlife, you will be directly contributing to the National Trust's commitment to create dynamic habitats for wildlife, increase biodiversity, protect our rivers, and capture carbon.
