Our Story

The English Soap Company story began in 2000, when founders Bob & Juliet discovered a number of vintage soap moulds lying disused in a machinery workshop on a farm in Kent.

Bob & Juliet spent many years perfecting the art of soap making and perfumery.

As the business grew Bob & Juliet moved their soap operation out of the kitchen and onto a local farm site in beautiful Waldron, East Sussex.

The English Soap Company still makes all of their products on the farm site in the heart of the Sussex countryside.
