

Sophie Allport

TRADE SS23

Welcome

Welcome to Sophie Allport's Spring Summer 2023 brochure!

As before this brochure includes all of our new designs and products and our best-selling products. There are lots more lovely products available for you to see on our trade websites – if you don't already have a login, please get in touch on trademarketing@sophieallport.com

We hope our new Roses, Sunflowers and Olive Branch designs will inspire your customers and add some freshness to your displays. You'll also spot our Animals of Savannah design, which proudly supports our friends at ZSL, as well as new products in our best-selling Bees, Strawberries and Dragonfly designs.

As well as our trade websites, if you are in the UK, your knowledgeable Account Manager can help, or if you are in the USA or Canada, your local Representative will be equipped with knowledge and samples. We have partners in Europe, and our UK-based office team are available for all our customers around the world – for any information about who can help you locally or from our office, contact tradeorders@sophieallport.com.

Woodland Walks

Sophie Allport

We are so pleased to be working with the National Trust on our Woodland Walks collection.

Inspired by Sophie's love for nature and long woodland walks with her three dogs, this charming design features dog walkers and hikers adventuring out on an expedition, exploring everything the great outdoors has to offer. Through sales generated from our National Trust collections, 10% of net sales, with a minimum of £20,000 each financial year, will be given to the National Trust for Parks and Woodland conservation.

Animals of the Savannah, Elephant, Giraffe & Zebra

IN COLLABORATION WITH

ZSL | LET'S WORK
FOR WILDLIFE

The African savannah is home to some of the world's most magnificent animals. But these animals and their homes are under threat. That's why Sophie Allport has teamed up with ZSL – an international conservation charity working to create a world where wildlife thrives. Every purchase you make from this special range contributes to ZSL's work helping to protect animals around the world. Find out more at zsl.org/sophie-allport
