# Bee Bloom

A contemporary twist on a traditional Arts & Crafts inspired print. With bee prints still a popular trend, you can be sure to stay ahead of the curve with our Bee Bloom collection.

Sinuous leaves and foliage intertwine with buds and blooms while bees buzz lazily through the cacophony of stylised sprigs back to their hives.

Honey and orange-coloured flowers blend with mint green hues while the block printed black leaves are the ideal contrast.

# Dog Days

This ragtag rabble of playful pooches has heaps of personality! The style of illustration has drawn inspiration from the iconic sketches of Quentin Blake with the use of scratchy black crayons and rough gouache brushstrokes.

The excitement and energy of these pups radiates out from the design and the tangled leads spiralling throughout are an amusing backdrop.

The dogs may be scruffy, but the collection is absolutely paw-some.
