Spring / Summer
CATALOGUE 2023

welcome to our 2023 catalogue

Welcome to our new Spring/Summer Catalogue — we're so excited to share our biggest and most exciting collection yet. As we celebrate our 10 year anniversary, we would like to thank you for your support over the years and hope you will celebrate with us by adding our limited edition plush character to your collection.

We are delighted to have welcomed several new babies into the Wrendale family, which has proven to be perfect timing as we launch our new baby range, Little Wren. The collection features brand-new artwork of baby animals and all the products are of the highest quality. We are also proud to announce our partnership with Eden Reforestation Projects so we can plant a tree for every babygrow sold to celebrate a new birth.

Following the success of our recent craft collection, we are thrilled to launch our beautiful paint by numbers. The detailed nature of watercolour artwork made this a huge challenge, but the team have done a wonderful job in creating a product that allows anyone to create their own Wrendale masterpiece.

Another highlight has to be our new collection of kitchen textiles as we launch beautiful everyday and festive designs of aprons and tea towels. The soft pastel colours with complementary trims feature some of our best-selling artwork that are sure to be a hit with your customers.

Not forgetting our roots, we have added some wonderful new designs to our greeting card collections. Our gorgeous stationery range has some colourful new additions as well as extensions to our other best-selling collections.

I hope you enjoy looking at all the beautiful new products. The last 10 years have been a whirlwind and we couldn't have done it without your amazing support.

*Hannah,
Jack and the
Wrendale family*

SUSTAINABILITY

As part of our commitment to sustainability, you will notice that we are eliminating single use plastic packaging from our cards and giftware going forward. Please bear with us as we phase out the older types of packaging in favour of newer and more environmentally friendly methods that will still ensure that our products arrive to you in perfect condition.
