The Home of Happy Stitching!

Welcome to Bothy Threads...

What a fun time we all had in our 30th birthday year, it was great to see so many people joining in with the festivities and giveaways. The stitching themed designs in each collection were a great success, as was our very first Advent Calendar! We also launched our brand-new plastic free packaging and are proud to say we doing our part to reduce plastic waste in crafts, one kit at a time.

Here's to another exciting year with many more designs on the way, along with an exciting new collection for all those Little Stitchers too!
