RED1728TEA
Sarah Campbell - Teacup
100gm Square with Tea

2024

We are proud to present our 2024 Catalogue - 39 years in TIN!

The team have curated our most fantastic selection of newness for you and your customers! We are extremely excited to launch our first Sanderson collection, a global name in design, now on tinware and kitchen textiles for the first time.

Newness from Emma Bridgewater excels and we love the new larger size gift boxed Easter egg tin, as well as Roses and Pink Toast!

Our Sara Miller collaboration grows, the Little Gestures range finding huge success already, and we are pleased to bring Sara Miller Kitchen textiles to market!

Printer Johnson brings retro inspired chic, tempered with bright and bold designs to add something completely different to our offering and lots more to discover.

We look forward to serving you as ever - please explore the treats within: from Elitetins and Tintreats!
