Visit [www.phoenix.co.uk](http://www.phoenix.co.uk) to open your online account and start ordering with us today!

Made in Yorkshire.  
For you, your customers,  
and a sustainable future...

Phoenix Textiles are the UK's leading independent manufacturer of flooring textiles for the home.

The vast majority of our products are 100% designed and manufactured right here in the heart of Yorkshire. Customer service has always been at the heart of everything we do and we'd love you to get in touch so we can show you why Phoenix is the perfect sustainable partner for your business and how we can provide you with expertly crafted and ethically sourced textiles for the home and garden.

Based on customer requests we've created a one stop collection for all of your flooring textile needs. Through knowledge and research we've developed a branding structure that appeals to today's consumer. Our brands embody the design, manufacture and personal service that Phoenix has become known for. We understand that a home is unique to the individual so we are always looking to bring inspiration and ideas for all areas of the home.

We are proud that our products are made in the UK from sustainable and/or recycled materials wherever possible, bringing together all aspects of home-textiles, from washable cotton mats, to pet ranges and everyday utility mats. The one thing they all have in common is they have been specifically 'Made For You' by Phoenix.

### British manufacturing

Flying the flag for British textiles, we are proud to be the UK's leading manufacturer of flooring textiles for the home

### Leading through quality & innovation

Constant investment and development of products and processes to improve performance and lessen our environmental impact

### Sustainability is our future

Caring about the environment is at the centre of everything we do and we strive to make our mills and products as environmentally sustainable as possible

### Reuse don't abuse natural resources

Wherever possible we look to recycle and up-cycle materials to create our beautiful products

### Lead times

Ordering UK manufactured products dramatically reduces lead times for your stock compared to importing

### Training future skilled textile workers

With over 200 skilled workers at our mills in Yorkshire we are passing on invaluable skills & training to the next generation of our workforce
