Our Story

**Quality is woven
into us**

Family

Established in 1971, we remain a family run business passionate about creating beautiful blankets, picnic rugs, home accessories and more, for some of the world's best loved brands.

Quality

Our team of expert weavers use natural fibres and techniques that have been used for generations to weave our soft tweeds, tartans and blanket materials.

British

Our in-house design team, pattern cutters & sewing machinists design, craft and create a range of products that are woven to last. From recycling yarn, to weaving traditional tweed, all our products are produced using exceptional craftsmanship and skills.

Outdoor

Discover everything you need for the perfect day spent outdoors. From picnic rugs, to comfortable garden kneelers and more - there's a whole host of products that are perfect for making the most of the good weather. Each item is hand cut, stitched and folded by our skilled team based in North Wales. Our picnic products are designed to stand the test of time and be treasured for generations.

Pure New Wool

We love working with natural fibres - pure new wool is a 100% natural fibre and provides a huge amount of warmth because it's a natural insulator. It's also completely renewable, so as long as there is grass to graze on, every year sheep will produce new fleece.

Drapers Collection

The Drapers Collection is designed to champion up-and-coming designers. Each year sees a fresh cast of talented individuals compete to create designs that will become part of the Tweedmill collection.

These new designers operate with creative freedom and bring a new vision to throw designs. For the winner, it's a unique opportunity to design and create a product range that is sold all over the world.

The Drapers Memorial Textile Prize was created alongside the Shrewsbury Drapers in 2016, in memory of Jackie Ryan who held the reins at Tweedmill for more than 25 years.

One of the winners was Averil Weaver, who designed the 'Averil' in two charming colours. Followed by Isobel Onions who designed the Isobel Crescent - an intricate weave available in three beautiful colour tones.

Recycled

What's even better than wool? Recycled Wool!

This collection uses wool that was once destined for landfill to give it a new lease of life as a blanket. As the wool we use is rescued we never know what colours we might get - therefore the collection is available in random assorted colours, so you get the magic of a surprise each time new stock arrives.

Recycled yarn is put together on creels for warping

Warp beams are put into the loom for expert weavers to weave

Pieces are then sent to be finished, cleaned and raised

Each blanket is then carefully cut by hand, a label is sewn on and it's folded.
